Our Business Health Plans are tiered by clear trade-up benefits, making it really easy for businesses to find the right health plan for their employees and if required, their dependants.

Across all of our world class Business Health Plans we deliver the exceptional high levels of service we are renowned for. Our range of benefits include:

- In-patient and out-patient care
- Evacuation - so if emergency treatment isn't available locally, we'll get your employee to where it is (accompanied by a relative or partner) when medically necessary
- Repatriation
- Treatment for cancer and other serious illnesses
- Hereditary, congenital and chronic conditions
- Transplants and rehabilitation

Once you have decided on the level of cover, you can adapt your plan to suit your specific needs, circumstances and budget. For example, you might want to:

- Include dependants
- Choose the appropriate geographical coverage (Regional Middle East, Worldwide excluding U.S or Worldwide including U.S)
- Add co-insurance options for out-patient care - to help stay in control of cost:
- Add dental and optical care
- Choose the appropriate network cover for your employees in the UAE (Comprehensive or Premium network)

We understand you're busy. So we've designed our range of health plans to make giving each of your employees the right level of cover as easy as can be.
