# NEED TREATMENT?

We want to make sure everything runs as smoothly as possible when you need treatment, so we help take care of the practicalities so you can focus on getting better.

If you call the number on your insurance card or write via [tameen.ae/membersworld](http://tameen.ae/membersworld) before going for treatment, you can have your benefits explained to you and check that your treatment is covered by your health plan. If needed help can be provided with suggesting hospitals, clinics and doctors. In cases where you need hospital treatment, it may also be possible for the service team to contact your hospital or clinic on your behalf and make sure they have everything they need to go ahead with your treatment. If possible, it can be arranged to pay them directly too.

Please be aware that there are certain benefits for which you must receive pre-authorization. These are detailed in your 'Table of benefits'. Benefit may not be paid unless pre-authorization has been provided.

Of course there are times when you simply cannot get pre-authorization, such as in an emergency. If you are taken to hospital in an emergency, it is important that you ask the hospital to call the number on your insurance card or write via [tameen.ae/membersworld](http://tameen.ae/membersworld) within 48 hours of your admission. This way the hospital can be provided with all the relevant information and, if possible, we can arrange to pay them directly.

## The pre-authorization process

You can pre-authorise your treatment by phone or email. Inside the UAE, OIC will normally manage pre-authorization and directly settles the payment with the provider if within the network. Outside the UAE, we will send through Bupa Global a pre-authorization. To confirm if a provider is in network please visit Facilities Finder at [tameen.ae/facilitiesfinder](http://tameen.ae/facilitiesfinder).

Inside the UAE inside the network, OIC will normally manage direct payments and pre-authorization directly with the provider. Inside the UAE outside the network, refer to the pay and claim section on page 5 of this guide. Outside the UAE, we will send through Bupa Global a pre-authorization statement to your hospital or clinic once they have all the necessary details. A pre-authorization statement will also be sent to you. This can be used as a claim form to send back to us if you receive any invoices or are asked to pay for any aspect of your treatment yourself. Further information is provided on the claims process on the next page.

From time to time you may be asked for more detailed medical information, for example to determine whether a

loading should be applied to your policy for a pre-existing condition.

## Remember you can ask for a second medical opinion service

The solution to health problems isn't always black and white. That's why you have the opportunity to get another opinion from an independent world-class specialist.

## Our approach to costs

When you are in need of a benefits provider, a dedicated team can help you find a Recognised medical practitioner, hospital or healthcare facility within network. Alternatively, you can view a summary of benefits providers on Facilities Finder at [tameen.ae/facilitiesfinder](http://tameen.ae/facilitiesfinder). Where you choose to have your treatment and services with a benefits provider in network, all eligible costs of any covered benefits will be covered, once any applicable co-insurance or deductible amount which you are responsible to pay has been deducted from the total claimed amount.

Should you choose to have covered benefits with a benefits provider who is not part of network, only costs that are Reasonable and Customary will be covered. This means that the costs charged by the benefits provider must be no more than they would normally charge, and be similar to other benefits providers providing comparable health outcomes in the same geographical region. These may be determined by our experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and medical practice (including established treatment plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, these global guidelines may be referred to when assessing and paying claims. Charges in excess of published guidelines or Reasonable and Customary made by an 'out-of-network' benefits provider will not be paid.

This means that, should you choose to receive covered benefits from an 'out-of-network' benefits provider:

- you will be responsible for paying any amount over and above the amount reasonably determined to be Reasonable and Customary – this will be payable by you directly to your chosen 'out-of-network' benefits provider;
- The amount your chosen 'out-of-network' benefits provider will seek to charge you directly cannot be controlled

There may be times when it is not possible for you to be treated at a benefits provider in network, for example, if you are taken to an 'out-of-network' benefits provider in an emergency. If this happens, we will cover eligible costs of any covered benefits (after any applicable co-insurance or deductible has been deducted).

If you are taken to an 'out-of-network' benefits provider in an emergency, it is important that you, or the benefits provider, call the number on your insurance card within 48 hours of your admission, or as soon as reasonably possible in the circumstances. If it is the best thing for you, you may be moved to a benefits provider in network to continue your treatment once you are stable. Should you decline to transfer to a benefits provider in network only the Reasonable and Customary costs of any covered benefits received following the date of the transfer being offered will be paid (after any applicable co-insurance or deductible has been deducted).

Additional rules may apply in respect of covered benefits received from an 'out-of-network' benefits provider in certain countries.

## Pre-authorization complete and now going for treatment?

Always remember to keep your insurance cards with you and present the appropriate card to your benefits provider when you arrive.

# WANT TO ADD MORE PEOPLE TO YOUR HEALTH PLAN?

**You**, the **policyholder**, can apply to include **dependants**, including newborn children, to this **health plan** by filling in an application form. **You** can download this easily from [tameen.ae/membersworld](http://tameen.ae/membersworld). If **you** are adding your newborn child please complete the 'newborn application form' or **you** can get in touch and one will be sent to **you**.

When **you** apply, the **dependant's** medical history will be reviewed by the internal medical team which may result in a loading for **pre-existing conditions**. These are personal to the person **you** add and will be shown on **your** insurance certificate. The cover will start on the date **our** medical team accept **your** application to join.

**Only** newborn children can have their cover backdated for up to 7 days from the date of birth.

## Children covered at no additional cost

With **your** Ultimate **Health plan** up to two children, per insured parent or insured legal guardian, who are under 16 years of age, can be insured at no additional cost subject to underwriting. The child being added must reside at the same address as the parent or guardian who is insured and who has legal custody of the child.

## Adding your newborn child?

Congratulations on **your** new arrival!

Neo-natal cover will be provided for 30 days on this **health plan** without underwriting. **You** will need to provide the child's name and date of birth. **You** can apply to extend this cover from day 31 without completing an application form and will be covered regardless of any health conditions when:

- o at least one parent has been covered on this **health plan** for 10 months or more prior to the child's birth, and
- o a copy of the birth certificate or official birth notification document is submitted within 30 days of the birth

In this instance **your** baby will not be subject to any medical underwriting.

If these criteria are not met **you** will need to provide a completed newborn application form and medical underwriting will apply as described when adding a dependant. The cover start will be the date the internal medical team accept **your** application to join.

If there are any changes to the information **you** provided in the application form after **you** or **your** dependants sign it and before the application is accepted, please confirm this straight away.

# YOUR HEALTH PLAN BENEFITS

The 'Table of benefits' provides an explanation of what is covered on **your health plan** and any associated limits.

## **Benefit limits**

There are two kinds of benefit limits shown in this table:

1. Annual limits for a group of benefits – the maximum amount to be paid in total for all of the benefits in that group, such as Dental **treatment** and Hearing aid/Optical.
2. Individual benefit limits – the maximum amount **we** will pay for individual benefits such as Health screening.

All benefit limits apply per person. Some apply each **policy year**, which means that once a limit has been reached, the benefit will no longer be available until **you** renew **your health plan**. Others apply per lifetime, which means that once a limit has been reached, no further benefits will be paid, regardless of the **renewal** of **your health plan** or if **you** terminate **your policy** and rejoin.

## **Waiting periods**

**You** will notice that waiting periods apply to some of the benefits. This means that **you** cannot make a claim for that particular benefit until **you** have been covered continuously for the full duration of the waiting period stated.

# YOUR EXCLUSIONS

In the 'General exclusions' section below, there is a list of specific **treatments**, conditions and situations that are not covered as part of **your health plan**.

## Do you have cover for pre-existing conditions?

When **you** applied for **your health plan** **you** were asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer – these are called **pre-existing conditions**.

Internal medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this **health plan**. **We** may have offered to cover any **pre-existing conditions**, possibly for an extra premium. **We** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** insurance certificate, this means that any **pre-existing conditions** that **you** disclosed in **your** application are covered under **your health plan**.

## General exclusions

The exclusions in this section apply in addition to and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** insurance certificate, **we** do not pay for conditions which are directly related to:

- excluded conditions or **treatments**
- additional or increased costs arising from excluded conditions or **treatments**
- complications arising from excluded conditions or **treatments**

Important note: **our** global **health plans** are non-**US** insurance products and accordingly are not designed to meet the requirements of the **US** Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those **US** taxpayers and other persons who may be subject to it. The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are subject to its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for guidance. For customers whose coverage is provided under a group **health plan**, **you** should speak to **your health plan** administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a **benefits provider** who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. Additional rules may apply in respect of **covered benefits** received from an 'out-of-network' **benefits provider** in certain specific countries.

# TERMS AND CONDITIONS

No	CLAUSE
1.	<b>Your policy</b>
1.1	The definitions set out in the "Glossary" in the <b>Guide to your health plan</b> apply to these Terms and Conditions and are marked in bold.
1.2	This <b>policy</b> is an insurance contract between <b>you the policyholder</b> and <b>OIC</b> for each <b>policy year</b> . If the <b>policy</b> is renewed a new insurance contract is formed on the same terms as the previous <b>policy year</b> but with a new premium and any amendments notified to <b>you the policyholder</b> of at the time of <b>renewal</b> .
1.3	No other persons, including any <b>dependants</b> , may enforce any legal rights under this insurance contract. <b>Dependants</b> may use the complaints process set out in clause 15 below.
1.4	This insurance contract is set out in: <ul style="list-style-type: none"> <li>◦ these Terms and Conditions;</li> <li>◦ the <b>Guide to your health plan</b> ;</li> <li>◦ the information and declarations in <b>your</b> application form; and</li> <li>◦ the insurance certificate.</li> </ul>
1.5	If <b>you the policyholder</b> add <b>dependants</b> to this <b>policy</b> , those <b>dependants</b> will be covered by this <b>policy</b> from the date shown on the updated insurance certificate sent to <b>you the policyholder</b> .
2.	<b>Your cover</b>
2.1	<b>OIC</b> will pay for the cost of any <b>covered benefits</b> in accordance with the terms of, and up to the limits as stated in, this <b>policy</b> .
2.2	<b>Your health plan</b> may include a mandatory annual deductible, which will be shown in the <b>Guide to your health plan</b> . <b>You</b> may also have an optional annual deductible, if available and selected by <b>you the policyholder</b> in <b>your</b> application form. <b>Your</b> deductibles will be shown on <b>your</b> insurance certificate and <b>your</b> insurance card. All annual deductibles apply to <b>you the policyholder</b> and each of the <b>dependants</b> separately. <b>You the policyholder</b> and each <b>dependant</b> may have different annual deductible amounts. <b>You</b> will have a new annual deductible if this <b>policy</b> renews. If an annual deductible applies, <b>you</b> must pay the cost of any <b>covered benefits</b> received directly to the provider until <b>you</b> have reached the level of <b>your</b> annual deductible. Costs in excess of the maximums shown in the <b>Guide to your health plan</b> will not count towards <b>your</b> annual deductible. The cost of any <b>covered benefits</b> <b>you</b> receive which are covered by <b>your</b> annual deductible (excluding costs in excess of the maximums shown in the <b>Guide to your health plan</b> ), count towards the maximum cover limits shown in the <b>Guide to your health plan</b> . Even if the amount <b>you</b> are claiming is less than the amount of <b>your</b> annual deductible, <b>you</b> should still submit a claim so that there is a record of when <b>you</b> have reached the level of <b>your</b> annual deductible. As this is an annual deductible, if <b>your</b> first claim is towards the end of the <b>policy year</b> and <b>your covered benefits</b> continue over <b>your renewal</b> date, the annual deductible is payable separately for the <b>covered benefits</b> received in each <b>policy year</b> .
2.3	<b>Your health plan</b> may include a mandatory co-insurance, which will be shown in the <b>Guide to your health plan</b> . <b>You</b> may also have an optional co-insurance, if available and selected by <b>you the policyholder</b> in <b>your</b> application form. <b>Your</b> co-insurance will be shown on <b>your</b> insurance certificate and <b>your</b> insurance card. <b>You</b> must pay for the co-insurance proportion of the cost of any <b>covered benefits</b> to which the co-insurance applies directly to the <b>benefits provider</b> .

No	CLAUSE
2.4	Should an amount be required to be paid for any reason to a <b>benefits provider</b> which is covered by any annual deductible or co-insurance the amount will then be collected from <b>you</b> . <b>You</b> authorise <b>us</b> to take this payment from <b>you</b> under the direct debit agreement or credit card authority <b>you</b> have given to <b>us</b> in <b>your</b> application form or as updated. If this <b>policy</b> has an annual deductible or co-insurance <b>you</b> must ensure that <b>we</b> always have a valid direct debit agreement or credit card authority that enables <b>us</b> to take payment of any annual deductible or co-insurance <b>we</b> have paid. <b>You</b> must update the direct debit agreement or credit card authority <b>you</b> have given to <b>us</b> when necessary or when requested. Otherwise it may cause delays in <b>our</b> paying claims. <b>We</b> will not pay claims until <b>we</b> have received any outstanding annual deductible or co-insurance payments.
2.5	<b>You</b> must obtain pre-authorization for any <b>covered benefits</b> where it is stated that this is required in the <b>Guide to your health plan</b> . Subsequent pre-authorization should be obtained if <b>you</b> do not start receiving those <b>covered benefits</b> within 31 days of the original pre-authorization. Details of how to pre-authorise <b>covered benefits</b> are available in the <b>Guide to your health plan</b> .
2.6	Before pre-authorising any <b>covered benefits</b> or paying any claim, <b>you</b> may be asked additional information, such as medical reports, and <b>you</b> may be required to have a medical examination by an independent <b>medical practitioner</b> (at <b>our</b> cost) who will then provide a medical report. If this information is not provided in a timely manner once requested this may result in a delay in pre-authorization and to <b>your</b> claims being paid. If this information is not provided at all this may result in <b>your</b> claims not being paid.
2.7	In certain situations <b>we</b> may pay for medical services or benefits which are not covered by this <b>policy</b> . This is called a discretionary or ex gratia payment and may include, should <b>we</b> determine not to seek to recover it, a payment made at <b>OIC</b> or <b>Bupa Global's</b> error. Any payment that <b>we</b> may make on this basis will still count towards the overall annual maximum limit that applies to this <b>policy</b> . If <b>we</b> make a payment like this it does not mean that <b>we</b> are required to pay identical or similar costs in the future.
3.	<b>Premium and Payment</b>
3.1	The premium is exclusive of VAT for which <b>you</b> are liable.
3.2	<b>You</b> should pay <b>your</b> premiums and applicable VAT direct to <b>us</b> . If <b>you</b> pay these sums to anyone else, such as an intermediary or insurance broker, <b>OIC</b> is not responsible for ensuring those persons pass the funds on to <b>OIC</b>
3.3	If <b>your</b> premium (including applicable taxes) (or any instalment) or any other payment <b>you</b> owe <b>us</b> under this <b>policy</b> is not received by the due date, <b>you the policyholder</b> will be written to requesting payment by a specific date, which will be not less than 30 days after the date the letter or email was issued to <b>you</b> . If payment is not received by that date, <b>you</b> will be notified of the proposed cancellation date 30 days in advance. <b>We</b> will not pay any claims until all overdue payments have been paid, unless the reason for non-payment is an error outside of <b>your</b> control, such as a bank error.
3.4	If any payment is incorrectly made to either a <b>benefits provider</b> for <b>treatment</b> or benefits received by <b>you</b> but not covered by this <b>policy</b> , or to <b>you</b> , <b>we</b> reserve the right to deduct the amount incorrectly paid from <b>your</b> future claims or seek repayment from <b>you</b> .
4.	<b>Where another person has caused your condition or you hold other insurance cover</b>
4.1	If any person is to blame for any injury, disease, illness, condition or other event in relation to which <b>you</b> receive any <b>covered benefits</b> , a claim may be made in <b>your</b> name. <b>You</b> must provide any assistance reasonably required to help make such a claim, for example: <ul style="list-style-type: none"> <li>◦ providing any documents or witness statements;</li> <li>◦ signing court documents; and</li> <li>◦ submitting to a medical examination.</li> </ul> <p>The right to bring a claim in <b>your</b> name may be exercised before or after making any payment under the <b>policy</b>. <b>You</b> must not take any action, settle any claim or otherwise do anything which adversely affects the right to bring a claim in <b>your</b> name.</p>
4.2	If <b>you</b> have other insurance which also covers <b>your covered benefits</b> <b>you</b> must let <b>us</b> know and provide details of the other insurance company, including on pre-authorization and when making a claim. <b>We</b> will only pay for <b>our</b> share of the cost of any <b>covered benefits</b> .

5.	<b>Making a claim</b>
5.1	<p><b>We</b> aim to pay the <b>benefits provider</b> directly for any <b>covered benefits</b> covered by this <b>policy</b> whenever possible.</p> <p>Otherwise <b>you</b> must pay the <b>benefits provider</b> and then send a completed claim form, with copies of all valid invoices, relevant letters and other documents relating to the <b>covered benefits you</b> are claiming for. Where requested, original invoices must be provided.</p> <p><b>We</b> are not obliged to pay for any <b>covered benefits</b> if the claim form is received more than 3 years after the <b>covered benefits</b> were provided to <b>you</b>, unless there is a good reason why it was not possible for <b>you</b> to make the claim earlier.</p> <p>Original documents cannot be returned to <b>you</b>, but copies can be sent to <b>you</b> on request.</p>
5.2	<p>Where <b>you</b> have paid the <b>benefits provider</b> and <b>you</b> have made a valid claim, <b>you the policyholder</b> will be paid. A <b>dependant</b> would only be paid where the <b>dependant</b> received the <b>covered benefits</b>, they are over 18 and they have provided current bank details..</p> <p>Payments shall only be made by electronic transfer direct to <b>your</b> bank account or by cheque payable to <b>you</b>.</p> <p><b>We</b> pay the administration costs for making electronic transfers. If <b>your</b> local bank charges <b>you</b> an administration fee, <b>we</b> will refund <b>you</b> on receipt of proof <b>you</b> have paid such fees. All other bank charges or fees, such as currency exchange, are <b>your</b> responsibility, unless <b>you</b> are charged because <b>we</b> made a mistake.</p>
5.3	<p>For internationally administered claims relating to <b>covered benefits</b> received in any country as may be covered under <b>your health plan, Bupa Global</b> as the international claims management company will only pay <b>you</b> in the currency in which <b>you</b> pay <b>your</b> premium, , the currency of the invoices <b>you</b> send <b>Bupa Global</b> or the currency of <b>your</b> bank account. Sometimes, international banking regulations do not allow to make a payment in the currency <b>you</b> have asked for. If this is the case a payment will be sent in the currency of <b>your</b> premium. Where payment to <b>you</b> in the usual currency may expose <b>Bupa Global</b> (or <b>Bupa group of companies and administrators</b>) to any sanction, prohibition or restriction under the laws of any relevant jurisdiction and/or United Nations resolution, <b>you</b> will be paid in such other currency that is permitted and able to make payment in, if any such payment is permitted to be made. Where conversion from one currency to another, the exchange rate used will be Reuters closing spot rate set at 16.00 <b>UK</b> time on the <b>UK</b> working day preceding the invoice date. If there is no invoice date, the date of <b>your treatment</b> will be used.</p>
5.4	<p><b>We will not provide cover nor pay claims under this policy</b> if the laws of any relevant jurisdiction, including the <b>UAE, United Kingdom, European Union, the United States of America, or international law, prevent us from doing so. You will normally be told if this is the case unless this would be unlawful or would compromise our reasonable security measures.</b></p>
6.	<b>Renewal</b>
6.1	<p><b>We</b> will write to let <b>you</b> know if this <b>policy</b> will renew for the next year in advance of the <b>renewal</b> date.</p> <p>Each <b>policy year we</b> may change how <b>we</b> calculate <b>your</b> premiums, how <b>we</b> determine premiums, what <b>you</b> have to pay and the method of payment. <b>We</b> may also change the <b>Guide to your health plan</b> (including which <b>covered benefits</b> are covered and the limits for <b>covered benefits</b>) and the terms this <b>policy</b>.</p> <p>A notice will be issued to <b>you</b> in advance of the <b>renewal</b> date, with details of the new premium, any changes to the renewed <b>policy</b> and the reasons for those changes. If <b>you</b> do not want to renew this <b>policy you</b> must call the number on <b>your</b> insurance card or write via <a href="mailto:tameen.ae/membersworld">tameen.ae/membersworld</a> within 30 days following the start of the renewed <b>policy</b>.</p> <p>Unless <b>you</b> contact <b>us</b> to tell <b>us</b> not to, <b>we</b> will continue to take payment of the new premium plus any applicable VAT using the payment details <b>you</b> have given <b>us</b>.</p>
6.2	<p><b>We</b> reserve the right not to renew this <b>policy</b> at <b>our</b> discretion for any reason. If so, <b>we</b> will issue <b>you</b> a notice at least 30 days before the end of the <b>policy year</b>.</p>
6.3	<p>If <b>we</b> decide to renew this <b>policy</b>, <b>we</b> won't add any new personal restrictions (those that appear on <b>your</b> insurance certificate) to <b>your</b> renewed <b>policy</b>. However, should <b>you</b> move to a different <b>health plan</b>, <b>we</b> may add new personal restrictions.</p>

No	CLAUSE
6.4	<p>Please call the number on <b>your</b> insurance card or write via <a href="mailto:tameen.ae/membersworld">tameen.ae/membersworld</a> all before <b>your renewal</b> date if <b>you</b> or <b>your dependants</b> have personal exclusion(s) or cover for <b>pre-existing conditions</b> and would like to review this.</p> <p><b>Your</b> exclusion or the additional premium applied for the <b>pre-existing condition</b> may be removed if, in <b>our</b> opinion, no further <b>treatment</b> will be either directly or indirectly required for the condition, or for any related condition. There are some personal exclusions that, due to their nature, will not be reviewed.</p> <p>To carry out a review, <b>you</b> may be asked for an up to date medical report from <b>your</b> family <b>doctor</b> or consultant. Any costs incurred in obtaining these details are not covered under <b>your</b> plan and are <b>your</b> responsibility</p>
7.	<b>Changes to your policy</b>
7.1	<p>Except where expressly stated in this clause 7, only <b>we</b> and <b>you the policyholder</b> can agree to make changes to this <b>policy</b>. No changes will be valid unless they are confirmed in writing by <b>us</b>.</p>
7.2	<p>If <b>you</b> ask to add a new <b>dependant</b> to this <b>policy</b>, internal medical underwriting team will review that person's medical history. <b>We</b> may add special restrictions to the cover for that new <b>dependant. We</b> may, subject to internal medical <b>policy</b> criteria, agree to provide cover for certain <b>pre-existing conditions</b> of the new <b>dependant. You</b> must pay any additional premium. Children may be added without medical history or additional premium being required where this is provided for (and is in accordance with any relevant requirements) in <b>your Guide to your health plan</b>.</p>
7.3	<p>As this is an annual <b>policy</b>, <b>you</b> may only change <b>your health plan on renewal</b>.</p> <p>If <b>you</b> do change <b>your health plan on renewal</b>, any existing waiting periods (which will be shown in the <b>Guide to your health plan</b> ) would not re-start.</p>
7.4	<p><b>We</b> may make changes to the <b>policy</b> part way through the <b>policy year</b>, but only if there is a legal or regulatory requirement to do so or where changes are made for all <b>our</b> customers with the same <b>health plan</b> to improve the cover they receive from <b>us</b>. If <b>we</b> do, <b>we</b> will write to tell <b>you</b> about the changes, in advance where possible.</p>
7.5	<p><b>We may terminate this policy immediately, if we reasonably consider that by continuing this policy we or you may break any law, regulation, code or court order.</b></p> <p><b>This policy does not provide cover to the extent that such cover would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanction, laws or regulations of the UAE, European Union, United Kingdom or United States of America.</b></p>
8.	<b>Your country of residence</b>
8.1	<p><b>You</b> must tell <b>us</b> straight away if <b>you</b> move to a different country, Emirate or State, or <b>your specified country of residence</b> or <b>specified country of nationality</b> changes.</p> <p>This <b>policy</b> will terminate if the law of the country (or Emirate or State, as the case may be) in which <b>you</b> are located, or <b>your</b> country of residence or nationality, or any other law which applies to <b>us</b> or this <b>policy</b>, prohibits the provision of healthcare cover by <b>us</b> to local nationals, residents or citizens.</p>
8.2	<p><b>You</b> must tell <b>us</b> straight away if <b>you</b> change <b>your</b> correspondence address or other contact details as <b>we</b> will use the last address and contact details <b>you</b> gave <b>us</b> until <b>you</b> tell <b>us</b> otherwise.</p>
9.	<b>Ending your policy or removing a dependant from cover</b>
9.1	<p><b>You the policyholder</b> can choose to cancel this <b>policy</b> (which would also end the cover for all of <b>your dependants</b>), or remove any of <b>your dependants</b> from <b>your</b> cover, at any time, by calling the number on <b>your</b> insurance card or writing via <a href="mailto:tameen.ae/membersworld">tameen.ae/membersworld</a>.</p> <p>Subject to compliance with local regulations on reporting, cancellation of <b>your DHA policy</b>, or the removal of <b>dependant(s)</b> from cover, will take effect on the date that the cancellation notification is received.</p> <p>Please note that cancellations cannot be backdated. Cancellation requests received with between the 28th- 31st of the month will be processed on 1st of the following month with effective date as per the date of request.</p> <p>Claims submitted after the cancellation is confirmed to either the principal member or his authorised representative can be submitted for reimbursement provided the <b>treatment</b> date is not after the cancellation date.</p> <p>For Dubai Health Authority compliant policies: The <b>policyholder</b> must report one of the following dates for the terminated members as a termination date, based on whichever occurs first - 30 days from visa cancellation date, exit date from <b>UAE</b> or visa transfer date.</p>

## 5. What we use your personal information for and our legal reasons for doing so

**Summary:** **We** process **your** personal information for the purposes set out in this privacy notice. **We** have also set out some legal reasons why **we** may process **your** personal information (these depend on what category of personal information **we** are processing). **We** normally process standard personal information if this is necessary to provide the services set out in a contract, it is in **our** or a third party's legitimate interests or it is required or allowed by any law that applies. Please see below for more information about this and the reasons why **we** may need to process special category information and criminal offence and conviction information.

**More information:** By law, **we** must have a lawful reason for processing **your** personal information. **We** process standard personal information about **you** if this is:

- **necessary to provide the services set out in a contract** – if **we** have a contract with **you**, **we** will

- process **your** personal information in order to fulfil that contract (that is, to provide **you** and **your dependants** with **our** products and services);
- **in our or a third party's legitimate interests** – details of those legitimate interests are set out in more detail in section 6 'legitimate interests' below; or
- **required or allowed by law.**

**We** process special category information about **you** because:

- **it is necessary for the purposes of preventive or occupational medicine**, to assess whether **you** are able to work, medical diagnosis, to provide health or social care or **treatment**, or to manage health-care or social-care systems (including to monitor whether **we** are meeting expectations relating to **our** clinical and non-clinical performance);
- **it is necessary for an insurance purpose** (for example, advising on, arranging, providing or managing an insurance contract, dealing with a claim made under an insurance contract, or relating to rights and responsibilities arising in connection with an insurance contract or law);
- **it is necessary to establish, make or defend legal claims** (for example, claims against **us** for insurance);
- **it is necessary for the purposes of preventing or detecting an unlawful act** in circumstances where **we** must carry out checks without **your** permission so as not to affect the outcome of those checks (for example, fraud and money-laundering checks or to check other unlawful behaviour, or carry out investigations with other insurers and third parties for the purpose of detecting fraud);
- **it is necessary for a purpose designed to protect the public against dishonesty, malpractice or other seriously improper behaviour** (for example, investigations in response to a safeguarding concern, a member's complaint or a regulator (such as the Care Quality Commission or the General Medical Council) telling **us** about an issue);
- **it is in the public interest, in line with any laws that apply;**
- **it is information that you have made public; or**
- **we have your permission.** As is best practice, **we** will only ask **you** for permission to process **your** personal information if there is no other legal reason to process it. If **we** need to ask for **your** permission, **we** will make it clear that this is what **we** are asking for and ask **you** to confirm **your** choice to give **us** that permission. If **we** cannot provide a product or service without **your** permission (for example, **we** can't manage and run a health trust without health information), **we** will make this clear when **we** ask for **your** permission. If **you** later withdraw **your** permission, **we** will no longer be able to provide **you** with a product or service that relies on having **your** permission.

**We** process criminal offence and conviction information as part of money laundering checks to comply with financial crime requirements.

## 6. Legitimate interests

**Summary:** **We** process **your** personal information for a number of legitimate interests, including managing all aspects of **our** relationship with **you**, for marketing, to help **us** improve **our** services and products, and in order to exercise **our** rights or handle claims. More detailed information about **our** legitimate interests is set out below.

**More information:** Taking into account **your** interests, rights and freedoms, legitimate interests which allow **us** to process **your** personal information include:

- to manage **our** relationship with **you**, **our** business and third parties who provide products or services for **us** (for example, to check that **you** have received a service that **you're** covered for, to validate invoices and so on);
- to provide health-care services on behalf of a third party (for example, **your** employer);
- to make sure that claims are handled efficiently and to investigate complaints (for example, **we** may ask **your treatment** provider for information to make sure **we** receive accurate information and to monitor the quality of **your treatment** and care);
- to keep **our** records up to date and to provide **you** with marketing as allowed by law;
- to develop and carry out marketing activities and to show **you** information that is of interest to **you**, based on **our** understanding of **your** preferences (**we** combine information **you** give **us** with information **we** receive about **you** from third parties to help **us** understand **you** better);
- for statistical research and analysis so that **we** can monitor and improve products, services, websites and apps, or develop new ones;
- to contact **you** about market research **we** are carrying out;
- to monitor how well **we** are meeting **our** clinical and non-clinical performance expectations in the case of health-care providers;
- to enforce or apply **our** website terms of use, **our policy** terms and conditions or other contracts, or to protect **our** (or **our** customers' or other people's) rights, property or safety;
- to exercise **our** rights, to defend ourselves from claims and to keep to laws and regulations that apply to **us** and the third parties **we** work with; and
- to take part in, or be the subject of, any sale, purchase, merger or takeover of all or part of the Bupa business.

## 7. Marketing and preferences

**We** may use **your** personal information to send **you** marketing by post, by phone, through social media, by email and by text.

**We** can only use **your** personal information to send **you** marketing material if **we** have **your** permission or a legitimate interest as described above.

If **you** don't want to receive emails from **us**, **you** can click on the 'unsubscribe' link that appears in all emails **we** send. If **you** don't want to receive texts from **us**, **you** can tell **us** by contacting **us** at any time. Otherwise, **you** can always contact **us** to update **your** contact preferences. See section 14 'data protection contacts' for details of how to contact **us**.

**You** have the right to object to direct marketing and

profiling (the automated processing of **your** information to help **us** evaluate certain things about **you**, for example, **your** personal preferences and **your** interests) relating to direct marketing. Please see section 13 'your rights' below for more details.

## 8. Processing for profiling and automated decision-making

**Summary:** Like many businesses, **we** sometimes use automation to provide **you** with a quicker, better, more consistent and fair service, and marketing information **we** think will be of interest to **you** (including discounts on **our** products and services). This will involve evaluating information about **you** and, in some cases, using technology to provide **you** with automatic responses or decisions (automated decisions). Please see 'more information' below for further details.

**You** have the right to object to direct marketing and profiling relating to direct marketing (see section 13 'your rights' for more information). **You** may also have the right to object to other types of profiling and automated decision-making set out below. In these cases, **you** have the right to ask **us** to make sure that one of **our** advisers reviews an automated decision, to let **us** know how **you** feel about it and to ask **us** to reconsider the decision. **You** can contact **us** to exercise these rights. See section 14 'data protection contacts' for full contact details.

### More information:

By law, **we** must tell **you** about:

- automated decision-making (making a decision using technology, without any person being involved); and
- profiling (automated processing of **your** information to help **us** evaluate certain things about **you**, for example, **your** personal preferences and **your** interests).
  - This is because **you** have certain rights relating to both automated decision-making and profiling. **You** have the right to object to profiling relating to direct marketing. If **you** do this, **we** will no longer carry out profiling for direct marketing purposes. **You** also have the right to object to profiling in other circumstances set out below.
  - When **we** make decisions using only automated processing which produce legal effects which concern **you** or which have a significant effect on **you**, **we** will let **you** know. **You** then have 21 days to ask **us** to reconsider **our** decision or to make a new decision that is not based only on automated processing. If **we** receive a request from **you**, within 21 days of receiving **your** request, **we** will:
    - consider the request, including any information **you** have provided that is relevant to it;
    - meet **your** request; and
    - let **you** know in writing what **we** have done to meet **your** request, and the outcome.

**You** can contact **us** to ask about these rights. For more information on all **your** rights, please read the 'Your rights' section below.

### Profiling and automated decision-making

- The processes set out below involve both profiling and automated decision-making.
- Depending on the type of insurance product that **you** want to benefit from, to help **us** decide what

level of cover **we** can offer **you**, **we** will ask **you** to provide information about **your** medical history. **We** may use software to review this information to find out whether **you** have any previous or existing health conditions which **we** cannot cover **you** for and which will be excluded from **your policy**.

- **We** may use software to help **us** calculate the price of products and services based on what **we** know about **you** and other customers. For example, **our** technology may analyse information about **your** claims history and compare it with the information **we** hold about previous claims to evaluate how likely **you** are to need to make a claim. **We** may also evaluate **your** age, where **you** live and other details relating to **your** health (such as existing health conditions and whether **you** smoke) to calculate prices for community-rated products which are based on predefined groups with similar risk profiles.

### Profiling

- The processes set out below involve profiling.
- In order to improve outcomes and be more efficient, and allow **us** to offer advice about different **treatment** paths (for example, alternatives to surgery or other invasive **treatments**), **we** may use software to evaluate medical history and information about the general population in an area to identify customers who are likely to need that advice most.
- When **your policy** is due for **renewal**, **our** software tells **us** this and may also evaluate **your** payment and claims history, other information **you** have given **us** about yourself, and other information **we** have received from third parties to automatically provide **you** with information about what incentives **we** can offer **you** and the marketing messages **you** will receive.
- **We** ask other organisations to carry out some of **our** consumer and market analysis to improve **our** marketing processes. This involves sharing personal information relating to **our** customers with third parties who specialise in profiling and segmenting people (putting people into groups of different types of customer, based on different kinds of information collected about them, to help **us** to better target **our** products to them). These companies match the information **we** give them with information they get from other sources to improve the accuracy of their analysis. **We** use the results of this analysis to help **us** target marketing and offers.
- **We** may use information about the products **you** have bought, and information about what other customers who have bought the same products **you** have bought, to make sure **we** send **you** information about the products **you** are most likely to be interested in.
- **We** may share **your** personal information (including **your** name, date of birth, sex and the country **you** live in) with third-party companies who carry out fraud checks. **We** will review any matches from this process. (**We** will not use automated decision-making for this.)

## 9. Sharing your information

**Summary:** **We** share **your** information within the Bupa Group, with relevant **policyholders** (including **your** employer if **you** are covered under a group scheme), with funders arranging services on **your** behalf, with people acting on **your** behalf (for example, brokers and other agents) and with others who help **us** provide services to **you** (for example, health-care providers and medical-assistance providers) or who **we** need information from to allow **us** to handle or confirm claims or entitlements (for example, professional associations). **We** also share **your** information in line with the law. - people or organisations **we** have to, or are allowed to, share **your** personal information with by law (for example, for fraud-prevention or safeguarding purposes, including with the Care Quality Commission);

- organisations that carry out surveys on **our** behalf;
- if **we** (or any member of the Bupa group) sell or buy any business or assets, the potential buyer or seller of that business or those assets; and
- a third party who takes over any or all of the Bupa Group's assets (in which case personal information **we** hold about **our** customers or visitors to the website may be one of the assets the third party takes over).

**If we provide insurance or manage a health-care trust, we share your information with:**

- the **policyholder** or their agent if **you** are not the main member under an individual **policy** (**we** will send them all membership documents and confirmation of how **we** have dealt with a claim, and all people who are insured on the **policy** may have access to correspondence and other information **we** provide through **our** online portal);
- **your** employer (or their broker or agent) for product or service administration purposes if **you** are a member or beneficiary under **your** employer's group scheme;
- **your** broker or agent (or both);
- other third parties **we** work with to provide **our** products and services, such as agents working on **our**

behalf, other insurers and reinsurers, actuaries, auditors, solicitors, translators and interpreters, tax advisers, debt-collection agencies, credit-reference agencies, fraud-detection agencies (including insurance counter-fraud groups), regulators, data-protection supervisory authorities, health-care professionals, health-care providers and medical-assistance providers; and

- organisations who provide **your treatment** and other benefits, including travel-assistance services.

If **we** share **your** personal information, **we** will make sure appropriate protection is in place to protect **your** personal information in line with data-protection laws.

## 10. Anonymised and combined information

**We** support ethically approved clinical research. **We** may use anonymised information (with all names and other identifying information removed) or information that is combined with other people's information, or reveal it to others, for research or statistical purposes. **You** cannot be identified from this information and **we** will only share the information in line with legal agreements which set out an agreed, limited purpose and prevent the information being used for commercial gain.

## 11. Transferring information outside the European Economic Area (EEA)

**We** deal with many international organisations and use global information systems. As a result, **we** transfer **your** personal information to countries outside of the **UK** and the EEA (the EU member states plus Norway, Liechtenstein and Iceland) for the purposes set out in this privacy notice.

**We** take steps to make sure that, when **we** transfer **your** personal information to another country, appropriate protection is in place, in line with data protection laws. Often, this protection is set out under a contract with the organisation who receives that information. For more information about this protection, please contact **us** at [info@bupaglobal.com](mailto:info@bupaglobal.com).

## 12. How long we keep your personal information

### 13. Your rights

**Summary:** You have the right to access **your** information and to ask **us** to correct any mistakes and delete and restrict the use of **your** information. You also have the right to object to **us** using **your** information, to ask **us** to transfer of information **you** have provided, to withdraw permission **you** have given **us** to use **your** information and to ask **us** not to use automated decision-making which will affect **you**.

- **Right in relation to automated decisions:** You have the right not to have a decision which produces legal effects which concern **you** or which have a significant effect on **you** based only on automated processing, unless this is necessary for entering into a contract with **you**, it is authorised by law or **you** have given **your** permission for this. **We** will let **you** know if **we** make automated decisions, **our** legal reasons for doing this and the rights **you** have.

Please note: Other than **your** right to object to **us** using **your** information for direct marketing (and profiling for the purposes of direct marketing), **your** rights are not absolute.
